

GLATZOVA & Co.
DEFINING EXCELLENCE

We are not only great lawyers—we are also passionate sports fans. That's why this time we decided to host our party in a sports setting for you.

Why have we chosen Letná? Where else but the place where the Czech national football team celebrated a historic qualification for the World Cup just a few days ago? They succeeded thanks to courage, hard work, and teamwork—values we share as well. Glatzová is just the same: a team of passionate players with a strong drive to score.

When: 28 May 2026 from 6:00 pm

Where: AC Sparta Prague stadium (epet ARÉNA)

tř. Milady Horákové 1066/98, Prague 7, VIP entrance

Dress code: smart casual

A jersey of your choice is also welcome (Sparta, Slavia, or even a hockey one)

The invitation is valid for two persons.

RSVP by 13 May via [this link](#).

What can you look forward to?

You will have the opportunity to enjoy an exclusive **stadium tour led by a Sparta legend**—taking you behind the scenes into the locker rooms and media room, and through the players' tunnel all the way to the pitch.

You can also look forward to excellent **catering** you know from our events, as well as great sausages and beer—because they simply belong at a stadium.

A **DJ** will be playing throughout the evening.

If our hockey team advances at the World Championship, we might even cheer them on together in the quarterfinal.
